## MIPRO MA-202 PORTABLE WIRELESS SOUND SYSTEM

### Includes MIPRO ACT30H Microphone

Weighing just 4.1kg, the MA202 can be mounted on a mic stand, carried or used with the supplied shoulder strap making it the perfect solution for small assemblies and meetings. The integrated 40w amplifier is an efficient class-D design allowing up to 8 hours of use from the internal battery. Of course, the MA202 can also be mains powered.

- USB port and SD card reader play MP3 songs.
- LCD displays MP3 tracks and status.
- Separate volume control for wireless, wired mic, line-input and MP3.
- Up to 2 microphones can be used simultaneously (1 wireless & 1 wired).
- One ACT30H can broadcast to multiple MA-202s for expanded coverage.
- Battery charger for ACT30H inside the built-in storage compartment. 24-hour usage per charge.
- ACT30H handheld transmitter has an innovative built-in side volume
