

EduTouch SC26B Webcam

4K Ultra Wide-angle

SC26B business webcam delivers 4K Ultra HD video at 30 fps with a layer optical glass lens to achieve outstanding picture quality and clarity. 120-degree FoV ultra wide-angle makes nothing missed in the meeting.

Clear, Crisp, and Natural Audio

SC26B features dual integrated omnidirectional mics with noise-canceling algorithm and detects audio from up to 4 meters away.

High Dynamic Range Technology

The pioneering 2D & 3D DNR technology in SC26B delivers incredible image quality, ensures crisp and clear visuals for videos and photos. From low light to bright backlit, high dynamic range (HDR) technology automatically adjusts to always look your best.

Auto-Framing

Empowered with advanced AI technologies including face detection, the camera automatically adjusts to the best framing solutions according to the participants' quantity and location. Real-time close-up to the presenter and manual operations free allow all attendees well focus on the meeting.

360° Free Rotation

DFoV 120° viewing angle combined with smooth 360°horizontal and other different angle adjustments to meet versatile needs.

Easy Plug and Play

No need to install plugins, simply connecting to the Type-C port to start your conference in seconds thanks to a simple plug-and-play design.

Software Compatibility

Compatible with Zoom, Microsoft Teams, WEBEX, Skype, and other popular video calling applications, easily access to different video conferencing.

Angle Adjustment ($\leq 10^\circ$) to Left & Right

Angle Adjustment ($\leq 10^\circ$) to Back & Front
