

Foundations A-Z

We've addressed the elephant in the classroom: literacy scores are below grade level nationwide. Foundations A-Z is here to help promote literacy for EVERY student.

Built on the Science of Reading, Foundations A-Z delivers an explicit, research-based, K-5 foundational skills solution that integrates:

- Systematic, explicit instruction
- Clearly modeled lessons
- Embedded professional development
- Engaging skill-building opportunities

Foundations A-Z

Improve Student Outcomes Based on the Science of Reading

Research-based instruction leads to better student outcomes. Foundations A-Z aligns with the Simple View of Reading and Scarborough's Rope to deliver an effective solution built on the Science of Reading.

Build Confidence to Incorporate the Science of Reading

Helping teachers transition to systematic instruction doesn't have to be stressful. By combining explicit lesson plans with point-of-use professional development support, Foundations A-Z helps teachers build confidence as they drive better student literacy outcomes.

Make Learning Fun With Multisensory Learning Adventures

Rich, diverse resources featuring multisensory interactive games and digital books help students learn while having fun. The fun cast of space characters accompanies students on their learning journey as they complete missions and earn rewards through the online and mobile student portal!
