

ReadMe Literacy

Building confident literacy skills

ReadMe Literacy is a lively, Australian Curriculum-aligned program created by experienced educators to help students develop essential reading, writing, grammar, and language skills. Designed for classrooms, tutoring sessions, and home learning, ReadMe combines structured lessons with interactive activities that make literacy meaningful, fun, and effective.

What Is ReadMe?

ReadMe Literacy is a complete English literacy program featuring 27 interactive, teacher-designed lessons. Each lesson guides students through essential literacy skills, including:

- Grammar and punctuation
- Poetry and figurative language
- Sentence structure and parts of speech
- A variety of text types such as narrative, persuasive, recount, and explanation

Lessons are easy to follow, engaging, and include activities that let students practise skills, reinforce understanding, and gain confidence in their learning.

To support diverse classrooms, Instructions are available in English, Spanish, and Chinese, making ReadMe perfect for multilingual settings and learning support environments.
